“ *When I was little, I remember being at their house, we had spaghetti and sour krault, and we swam in their lake, I loved going there in summertime, she was always kind and loving. Donna Laprairie loved her and Hans!*

“ *Mrs. Carolyn was a wonderful person. Our paths crossed when I moved to north Louisiana and starting working with the Tensas Gazette. She was kind, caring and loved her family very much. And, she had the best sense of humor, ever! I was fortunate enought to have received a text from her, via her brother, last week. Sympathy and prayers for the family.*

“ Carolyn was one of those who will live on forever in your memories. She was such a help to me when I left teaching and started working as editor of the Tensas Gazette. There was never a dull moment and I will never forget her. May God bless you with His loving care and healing as you face the future without her presence. She loved each of you, Tommy, and was so proud of you, Paula and each of your children. I can only image how proud she was of that baby boy, Hannah. Love you all, and will be praying for all of you in the next few weeks. *Becky Burris*

“ Just thinking of the fun times and laughs we shared together when I was at SJA and she was there with the Gazette. Such a dry and wonderful sense of humor! Missed her when she could no longer work.
