“ Dear Cupid Family,

*I am truly very saddened to hear of your loss. I am glad that I had the pleasure of knowing and working with him on the Transocean Deepwater Nautilus. Michael was a great guy and a fine cement technician. He took care of his business. He always performed at his best for both Shell & Halliburton. He was friend and a team mate. He will be greatly missed by all who knew him. May God Bless you all in this time of sadness.*

*Respectfully  
Floyd Wiese Jr. & Family*
