“ *It is so difficult to lose a close friend. He would come to our shop and visit with us often, and drink a cup of coffee. We will miss those visits so much. We would laugh and share stories of our trips on our bikes together. He would tell us of his long trips on his beloved gold 1800, and what he saw along life's highway. We love you Mikey! We will always remember the trips we made together, and cherish them in our heart. We will miss you!!!*
