“ *Our condolences goes to all of the family. Mike was a loving, giving friend and brother to us. There aren't enough words to speak of his genuine concern, and love for each person he came to know. This place will be a lonely existence without being able to see your smiling face from time to time, and being able to hear your laughter in each joke you would tell... We were so blessed and greatly rich to have such a wonderful person in our lives. May God give those he loved so much, some peace and comfort to help them through this time. Rest in Peace our sweet brother! Our thoughts and prayers are with your kids, babies, and Darlene..May God give them the strength that only you, Lord can give.*

“ *First I would like to express my condolences to the family of Mike. I went to middle school with "Lil Mike" in Sicily Island at the old Martin Junior High School. He played football for the Junior High there. I remember the jersey was way bigger than Mike was but he didn't quit. He never let his size stop him. I'll never forget him and he shall forever remain in my heart. He was a great friend in and out of school. You will be missed "Lil Mike". Fly high my friend and rest easy. I'll be praying for the family and may they find peace and comfort in this time of sorrow.*
