“ *I am shocked to hear the news of Mike. I played many a game of football, basket ball and volley ball between all the neighbors homes. It was nothing for us to camp out in our own front yard(under the street lamp of course) every week end during the summer. We thaught we were something else when we would jump our bike over a ramp that may have been a foot high and get in a fight over who did it the best. It is a shame that we did not keep in touch but I will cherish the memories of our youth. I have not lost a brother and I have no idea what you are going through, but I wish God's peace on each and everyone of you.*

Thanks for the memories Mike.
