“ I sure thought a lot of Mildred. We got to be pretty close friends during my time with her in my beauty shop. I was thinking of her a few months ago and I picked up the phone and called her. It was nice to hear her voice and touch base with her. Mildred was a great lady that I looked up to. She will be missed. Praying for her family. Melanie I would love to see you and your family, wishing I could come to the service but I will be working. Linda Ready Murray
