“ I would like to send my condolences to the family of Monya Davis. Revelation 21:4 says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ First I offer to you James my prayers to you and your family for your great loss. Please know that I am praying for your comfort and peace that only God can give you. I loved Monya with all my heart.

Monya, Where do I start, you were one of my first friends. My cousin we have known each other since birth, raised in this little community where I still am. You have left me with memories too numerous to list. The many days of playing jacks on your kitchen floor, playing in the rain, riding our bikes, sleigh riding, playing barbies and on and on. When we got older you got that old green station wagon you called the dragon wagon and stuffed as many as you could get in there and drug us up and down the road to school. The list could go on forever. Oh Monya I can't believe your gone. My heart is just broke in a million pieces. So glad that we got to talk on Saturday before Christmas. I loved your laugh, your sense of humor, and just you. I would get so excited when I found out you were coming home for a visit, you always made time to come by my house. I'm so glad you found happiness with James, you told me so often how happy you were. I will always miss you my old friend. I will see you again one day.

*Love Your Friend,
