“ Gordon, Lisa, & Skipper, I'm sure shocked is not strong enough to say how everyone feels about Nellie's passing. We are so glad we got to see and spend time with her in June. A few weeks after that we got an album of photos we will always treasure she sent us. Miles and years have seperated us physically, but our hearts will forever be filled with love and good memories of her...and yall. We send our love and prayers. On a lighter note, she made the best giblet gravy I ever tasted! I try every year to make it but it is never as good as hers! Love, Paul and Tessie
