“ Connie,
I was sadden to learn of Nelson's passing. I've known him since 1964, truly a great American and my personal hero for the sacrifices he made for the sake of his country. Nelson will be remembered in my mind for his friendly smile, and his ability to always make you feel welcomed. Though he is gone from this life, he will be remembered in the minds of his family and friends. God rest your soul my friend.
