“ Oh my sweet grandma... my heart hurts so bad.. I miss you SOOOO much already. I love you, more than I would have ever been able to show you or tell you. I know you're better off, its what you wanted, and I prayed for you to go. You were such a good person here in this short life. It was never going to be easy for me to let you go, but I want what was best for you, and I'll be strong enough to take the pain. I hope you are resting in eternal peace and are dancing and laughing. Come visit and check on us sometimes. I love you.

Prayers to the family. Although we had not spoken in years, she was always in my heart. We worked together many years ago. She was a beautiful person. Wish I had known earlier. She loved her family. Be strong. ❤️
