“ You now have your wings and able to watch over the ones you love. It is said that spirit leaves signs for us and every time I see a hummingbird at the feeder I will know you come to say hello.

“ One of my favorite cousins. Loved those Sunday afternoons at Grandmas Reeves’s house when she and my sister would let me tag along on their rides in the country. Love and prayers for my Burnette family members.

“ I enjoyed visiting Patricia. We had a lot of good times she would always tell people that we had the same names, Patricia Mize. Brought her some friend green tomatoes one day and she really enjoyed them. She always had a sweet spirit to everyone she met. Patricia, until we meet again enjoy heaven.
