“ *Becky Charlene and Kathy, I know that all anyone can say at a time like this is I am so sorry. I know the pain each of you are going through, there will be times of so much sorrow and loss, but know that in time the pain will not be as bad and memories began to take the place of sorrow. I love each of you so very much, although we don't see each other like we use to, know that you are always in my heart and in my prayers. I am so thankful that I got to visit with Aunt Pauline last week and I hope that the flowers brought her some joy. I am here if you need to talk, or just need someone to listen.*
