“Peggy is my first cousin. Her Mother and my Mother were very close sisters. I spent many happy days as a child at Aunt Orell and Uncle Thompson's house playing with Peggy, Shirley and Buddy. Wonderful memories of the China Berry tree, the watermelon patch, our tomato juice store and the hay barn. I had not seen Peggy for many, many years until this past Summer. What a wonderful 4th of July celebration at the camp on the lake
Peggy brought a jelly cake (this was my Mom's favorite and either she or Aunt Orell always made one when we came to visit) and a coconut cake which I had mentioned to her that I love and wanted her recipe. God has a way of always giving us what we need and I needed to see, visit and hug this beautiful lady one more time! Rest in peace sweet Peggy.

“ *I shared this on Facebook but wanted to share it here too. In 1981, my parents separated and my mom moved away. On the separation day, I was in a motorcycle wreck and skinned my face up. I skipped 7th grade picture day the next day as a result. The Knapp Family was new to our church. Sis. Peggy took my sister and I and bought us new clothes. She did our hair and took us to have our picture made. We spent many days and nights at their house and she always welcomed us into their big family. Please know that we are praying for strength and comfort for all of you.*
