“Eva,

I just learned of Ralph's death and was very sad to learn of it. Ralph grew up around the corner from me in Vidalia and I have many fond memories of Ralph. I didn't get to see him often, but always held him in high regard. Please accept my sympathy to you and your family and I will remember you in my prayers.

We were so sorry to hear about your dad. We actually didn't find out about Mr. Ralph's death until after the funeral. Know that you are in our thoughts and prayers.

“We are so sorry to hear about Mr. Ralph passing away. I lost my father in November and can only tell you that it will get better with time. You never forget but the remembering gets easier. Know that you are in our thoughts and prayers. If you need anything we are just down the road.

“Eva, Casey and Ryan,
I knew your husband/dad long before you came into his life. How proud I am to say that Ralph was my friend! He was a part of our family. You may have heard him speak of Dennis Randall...they were very close and therefore we all loved Ralph. I actually went to one of my high school dances with Ralph. Now that was just like going with one of my brothers. The loss that you feel today and in the days to come cannot be explained, and only God can be your comfort and strength now, but I do remember how Ralph was there for all of us when Dennis was killed. All of us do. He was a very special person and I just want you all to know how sad we all are to hear of his passing and that he will always live in our memories. It is sad that we let someone we love get so far away that we don't communicate for long periods of time. I am thankful to know that he and Dennis are together again in heaven and one day we will all be together again. Know that you are in our prayers. May God bless you all.

“I am very sorry to hear about Mr. Ralph's passing. I truly enjoyed his time as a preacher at Hamburg Baptist Church. I feel that he inspired me to be a better Christian and for that I am very thankful.

“ I am so sorry to hear about Mr. Ralph. He was like a second father to me. I only have good memories of him taking me horse back riding at the State Park, and him and daddy talking about hunting and taking care of dogs. I am sorry I will not be able to make the funeral. I send by deepest sympathy to your family.
