“Uncle Ray was a loving and thoughtful Uncle. He cared for his Daughters and his Grandchildren He was very close to all of his family I will miss the phone call and the conversations that we had in the evens sometimes he would call me or I would call him and we would visit by phone, I will miss the small trips that he and I would take to go visit family out of town. the one that is most special to me is the trip we took to Mississippi to visit the old Prince home place. That was an exciting day for the two of us. Uncle Ray will truly be missed by his Family.

“ Uncle Ray was a loving and thoughtful uncle. He always had kind and thoughtful words for me. I could also be assured he would greet me with a smile and would tell a story that would bring a smile to my face. I will miss the birthday and Christmas cards that he sent for the past several years. I appreciated the cards but more importantly,I felt very special because he remembered me on my birthday.
