“ Courtney, I am your Mom's second?-Third?(I'm still not sure) cousin. I would just like you to know that you and your family are in my prayers. I work for Anadarko and have been following all of the stories pretty closely. When things like this happen, it makes one think just what a small world it is. Without knowing you, I know if you have 1/2 as much strength as your Mom Theresa, God will see you through, and has a plan for you and your children. Sincerely,
Melanie Ruth

“ Dear Family of Roy Watt Kemp,

I am an aunt of Jane Kemp. You are in my thoughts and prayers at this very difficult time. God does not always give us answers on this side of heaven, but one day all things will be unveiled and then we can understand. One of my favorite scriptures is Numbers 6:24-26: "The LORD bless you and keep you; the LORD make his face shine upon you and be gracious to you; the LORD turn his face toward you and give you peace." (NIV)

“ Peggy,
I'm not sure if you remember me but we all went to school together and I use to go to your house. I am so sorry for your loss. I can not even imagine losing not only one of your children but your husband as well. I also remember going to school with Sandy. I have a nephew by marriage that would have been on that rig with your son if he would not have changed jobs less than 2 months ago. This is such a horrible tragedy. If there is anything that I can do for you and your family, please contact me. I still come to Monterey occasionally to my parents graves. They are buried in the Scott cemetary next door to Mrs. Sturgeon. Again, my condolences. Take care and God bless you all.

“ Dearest Kemp Family I do not know you nor did I know your loved one, my common ground with you is that my son is an employee of Trans Ocean on one of their ships in deep water. We all know how dangerous off shore can be, but I know what pride the Trans Ocean Family takes in striving to be safe. My heart grieves for you in your loss, and I lift you up in prayer to our beloved Lord. In a time when there is so much heartache and despair He alone can be our only comfort. The Scripture tells us " WE see through a glass darkly but one day face to face, one day so clearly we will see, and we shall know Why? . My prayers are with you . May God hold you ever so close in the days ahead.

“ Dear Courtney,

What an awesome woman you have become and now God is asking you to step out into an area that you have never experienced. You have a strong family with deep christian roots and this will prove to be your strongest cord. When days seem like they will never end, give the day to HIM! Rely on your family and God to be your strength--of course you have great friends too. I am so sorry about this great loss in the lives of your children and of you. It's not suppose to happen this way but for some reason, God chose you to be a witness for HIM. The road won't be easy for several months but I know that you will survive and others will stand in awe of the things you will be able to do. We love you and cherish all the memories we shared together. We will see you soon and keep the faith. Love you, Rodney and Tammy
