“ Growing up as a neighbor of the Wagoner Boys and Kitty the only girl! My memory of Mr Wagoner was his leather strap that he used to tear up some hiney when they needed it always scared me half to death even though Kitty never got the first lick. Well he sure did a good job raising them all cause a little spanking made them turn out to be fine Christian men. I will miss seeing him drive his wheelchair down the road to come get Mrs Wagoner visiting me while I was working in the yard. He is family to me and I love all those Wagoners. Love Always, Nancy Reed Tennison.
