“ Aunt Ruby was a very special Aunt to me and our family. We will miss her smiles and laughter. She has left a very special impact on our hearts that will always be remembered. I especially enjoyed being around her every time we would be able to see her, she had a great memory of ole times past. I remember her telling the stories of long ago. The stories that she told, would be greatly missed. Becky, I pray that as each day that passes by it will be a little easier to face life without her right by your side. But you know that she will be rejoicing with the others that have gone on before her. I know she will be happy with them all up there. God is truly a wonderful God, and he will always keep her in his care now.
With kindest regards and loving memory I'll close for now but I'll keep in touch with you often.
Lots of Love to all
