“ *To H.L. and family....We learned this morning of Mrs. Irvin's death. We wanted you all to know that we will be praying for you during these days of grief. Our memories of H.L. Sr. and Ruby and Gayla are numerous. All are fond memories of good times at church and also over at the house in Woodland and especially at the lakehouse. That was the best place for church youth events and your family was so gracious to share it. Ruby was indeed a virtuous woman. She loved the Lord and she loved you all and she loved those of us in the church and community as well. She and H.L. supported our parents in their leadership of the church in many unique ways. We are so thankful! We are blessed to have known her and to have learned how to serve God even better from her many acts of kindness. May God bless you all.

“ *Melissa and Melynda, I'm so very sorry for the loss of your grandmother. I have such fond memories of her, going to her house with you after school. One thing for sure, that was obvious, was her love she had for her grandchildren and family. I know you will always treasure those memories! She is rejoicing in heaven right now! May God give you and your family peace and comfort!*
