Tribute Wall

“ *Maw Shirley, as I called her, was my second mom. I love and miss her. God used her in a wonderful way by introducing me to her son Rick. We will be married 22 years on December 13. She would always call me when the weather was going to be bad and asked me to come over and spend the night. One statement that stands out a lot was when she told me she loved me and I told her I loved her more and she said no you don't.*
