ME

“ I was praying for a better future for Slayed but I feel God and Jesus wanted to hold him more than we could. I am deeply saddened that we all didnt get the pleasure to know your sweet little boy. I hope his older sisters grow up to know they have a little brother being their guardian angel as they grow up! James and Mandy I wish I could wipe away these memories and turn back the time so this never happened!! I really dont know what to say but im sorry...Slayed will always be remembered and I plan to send up a balloon every jan 12...
