“ Sonya was a special person. We are 1st Cousins. She was a few years younger than me, but our families were always close so I have vivid memories of her as a child and as she grew up into the lovely woman she became. About the same time she was smitten with cancer, so was I. Mine was different in form and was caught very early. I have followed her valiant efforts to overcome this scourge and have done all I could to encourage her. No One has shown more Hope and Faith in GOD during this long ordeal. I know she is in GOD's loving memory and will awaken into Paradise, free from all pain, whole and healthy and be the same lovely sweet person she has always been.
