“ I'm so very sorry for your loss. Stacey was a true friend. We haven't seen each other in a while. I used to see her almost every day when I delivered mail and she worked for Giles Island. We were together a lot as kids. I was at their house and have so many wonderful memories of our time together. When you see an old friend like her or Kelly and can pick up talking about things like you just saw each other yesterday, you know you have true friends. I'm so sorry I didn't make it that way to see you. I'll always regret that. I loved her and will miss her. But.. one day we will all be reunited. Rest easy my friend, until I see you again. If you see my sister, tell her I Love Her. Prayers for all the family and God Bless.
