“ Dear family of Stanley,
At sad times like this , those left behind, need comfort. and the Bible is the best place to find it.-Romans 15:4. says that ""through our comfort from the scriptures, we might have hope" The true God, Jehovah, shows us in the Bible, that soon his son, Jesus ,will perform the greatest miracle, that of the resurrection of the dead.- John 5:28,29.
Wonderful is the hope ahead that soon, on the paradise earth, there will be no more death as you can read from your Bible at Revelation 21:4 .
There is much Bible-based comfort to be found on the website www.jw.org

“ I went to school from 4th grade through 12th with Stan and we were always good friends. I saw him a few times over the years but it has been quite a while. I have thought of him often and wondered where life had taken him. The news of his passing has saddened my heart. I know he will be missed by all.

“ Stan and I grew up together, attended TA together and attended La Tech. We were friends, even though we gave each other grief at times on the football field and in the classroom. We grew apart while in college, but was able to re-connect at our 20 yr class gathering. We had a great visit and really enjoyed catching up and showing pics of our families. The only reason that I could come up with for his early departure from us is that, God must have needed a good fulback on his team to open some holes, so he drafted the "Tush Hog." You will be dearly missed, but the memories of you will live on with each of us. My thoughts and prayers are with Mr. Roy, Mrs. Mary, Kim and your children and all those who love you.

“ Stan and I went kindergarten through 12th grade together at Tensas Academy. I haven't seen Stan in a few years, but I ran into him in Bossier with his children. I am glad I had the opportunity to visit with him and I am sending prayers and condolences to Mr. Roy and Mrs. Mary and Kim and of course his beautiful children.
