“ I never thought that on the day that I hired her to work for me at Gas Lane 17 that it would be the beginning of a life long friendship. We have shared so much during those years. We shared the growth and activities of our kids and grandchildren. I loved her stories of Katie since the day she was born, and how Katie has Will wrapped around her little finger. Her way of telling added so much. In our days with Sprint Mart we got paired off so often, sharing rooms at hotels on our trips. Oh, but the fun of getting there. I was tickled at her attitude about her boots! Unless it was her tennis shoes, don't ask her wear anything else. She dealt with the adversity and troubles of life head on, dusted it off, and kept on going. Bravo, Sue-Sue, you did good! I really am going to miss you!
