“ Carol & Family,
Life...so fragile, Loss...so sudden, Heart...so broken,...in the wake of such a loss, we are haunted by things we don't and may never understand. Yet the solace we seek may not come from answers. So we look for comfort in the belief of love's everlasting connection. May that love lift you and hold you close and give you peace.

Thinking of you at this sad time, our prayers are with you,

“ Dear Carol, Jennifer and Abby,

We have been heartbroken over the news about Terry. I have spent the last days reminiscing about the times our families got to be together, the last for me was Jordan's wedding. When I think of Terry, I see his infectious smile. He was such a nice man and we will miss him. We wish you all peace, strength and comfort as you remember him.

“ Abbey and Robert

I am greatly sorry for your loss. I know that your father taught you everything he knew about being as thoughtful, caring, and special to everyone as he has been for so many people over the years. As we all look back at your father's life I remember he left this place better than he found it and made a positive impact on many people's lives. Please let me know if there is anything I could possibly do to help you and your family in this very trying time.

“ Carol, Abbey, & Jennifer,
I am so sorry for your terrible loss of Terry. He was such a fine person who I enjoyed talking basketball when Abbey & Andy were playing. I know words are of little comfort in times like these. Please know you will be in our prayers in the days ahead. I pray that God will comfort you & draw near to you. Terry was a fine Christian witness and heaven is a better place today with him there.

“*“Death leaves a heartache no one can heal, love leaves a memory no one can steal.”*

I recently lost my grandfather and someone at his funeral told me this quote that will stick with me for the rest of my life. My husband and I will be praying for you and your family during this time. The loss is a test of our faith in God and He knows how hard to push. Even though it seems like there is no tomorrow, you and your family will make it through triumphantly!
