“ Tommy and I were friends, mostly in high school. Tommy was intelligent, witty, and very sensitive. We reconnected when he was recovering from cancer. Tommy always said the nicest things, making others feel better. My life was better from having known Tommy; and, he will remain a fond memory. My condolences to his family.

Tommy and I were neighborhood buddies throughout high school and beyond. We moved into town when I was 15 and he kind of showed me the ropes of town living and introduced me around. His friendship and kindness will always be appreciated. Rest in peace old Friend.

Tom and I were in a relation ship for 20 years off and on. He moved back to Natchez in the early 90's I think and I worked for a bank that he used and we became close friends and later felt more for each other. He really was a wonderful man. I will always feel him close to me, miss you every day. Rest in a peaceful place.

“ Tommy Schuster was smart, keen in irony and a loyal and trusted friend. His photographic memory recorded our best and worst and his humor found love more often than not.

He will be missed and our memories should benefit from the many wonderful times that we enjoyed together.

Goodbye, my friend.
