“ *Gene and I were so sorry to hear of Trey's passing. He was ever present at any civic, field day, or social function we attended early in our Tensas Parish lives... Always the "greeter" when I substituted at the piano at the Union Church, and always made me feel at home. God bless you all and keep you filled with warm, happy memories of Trey. I know he will be missed. Our condolences, Becky and Gene Burris*

I am so sorry to hear about Trey. He and i go back to elementary school, and he was always a huge presence in our Newellton community. He had a larger than life spirit that could not be mistaken. Trey loved everyone and was a cheerleader to all. No matter what was happening, he was always there to support and be a part of it. He was a very special part of my life and I will never forget him or his friendship.

I can truly say that Trey was my buddy. He would come by City Hall late in the afternoon and visit with me and talk motor cycles. He was so proud of his new bike and he knew how much I wanted one and intended to get one soon as I retired. Well I did buy me one and every time I ride I think of Trey. My heart is so sad for my friend and I will miss him dearly. My prayers are with the family.
