“ *Sister, Uel and family,
We are sorry that we were unable to share time with you during the visitation time nor will we be able to attend the funeral. We know it's difficult at such a time to know what words to say, but understanding thoughts and prayers are there with you today. Whatever we face, we're never alone, for God takes our sorrows and makes them His own. Mother and I just wanted to let you know that you have a special place in our hearts. We love and cherish the family ties.*
