“ It was with a heavy heart that I said goodbye to my dear cousin. The slides of his life spoke volumes to me. His family was his pride and joy. I am sorry I did not know all your names but I was impressed by the many people who were there tonight. My love to all of you. We are family, always.

“ Thank you to a real public servant for keeping us all as safe as possible for over 30 years. That little grin and beautiful smile will be missed by so many. When I think of you, I can hardly keep from smiling myself. May you rest in peace.
