“ Vicky was a neighbor to my Dad. We had no idea she was sick or that she had passed until after the services. They talked gardening. He was inspired to have a raised tomato bed next year due to Vicky's bumper crop this year. She will be missed by Jr. Harris. Prayers of comfort and peace for her family. Brenda Harris Greenlee

“ When I first came to work with Vicky, I had come from the City and my shell shock was obvious to her. She practically held my hand the first few weeks. Her beautiful kindness toward people and her patience taught this Nurse how much Healing is done by Simple Activities of kindness. God gave her such a Gift. I am grateful to have known her and her grace.
