“ Michael and Melinda, it doesn't seem like a year has passed by that Bill left this earth. There is not a day that goes by that I don't think of him. I have so many fond memories and sometimes it's like I can hear him laugh. I think of y'all often and pray for God to provide you with comfort and healing.

“ I am so shocked to hear of Bill's death. I have not been able to keep up with your families since our grandmothers who were such good friends passed away. Some where down the line we are supposed to be cousins, but what I remember most are the very young friends playing together in Woodland when we lived across the street from each other. One of my most often thought of memories of Bill is sitting on our front porch eating dry dogfood! Strange what the remember

“ Michael and Melinda,
I am so very sorry to hear of Bill's death. He was such a sweet man and always had a kind word for everyone. I saw Bill at a football game in Winnsboro last fall. We were both there to watch our nephews play for TA. He gave me a big bear-hug and we visited for a few minutes. I am so grateful I have that memory. Bill was very kind hearted and that is why everyone loved him. Please know you are in my thoughts and prayers.
