“ *I remember Jerrol from school at Monterey. He was always quiet and so nice. I lost touch after that. I was sad to hear of his passing. Alma, please know I am thinking of you and keeping you in my prayers.*

“ *Jerrol was a very sweet person when I knew him....60's. He had many other things to be remembered for but in my family, he was the volunteer honor guard for my brothers(Dennis Randall) body when he was brought home in a coffin. Jerrol was not assigned by the military for this HARD job, but he did it out of respect for my brother and his family. Those were some of the hardest days of my life and I have to admit that Jerrol's presence was SO appreciated. I never got to know the mature man Jerrol became so in my memory he will always be that handsome, kind young soldier who gave of himself so freely. I have thought of him often over the years and he was always in my prayers. Now I will be praying for all of his family and friends. God bless you all.*
