“ So many fond memories of this precious family, are a part of my life. Mrs Willidene thought a lot of my family also, which led to many long discussions about people from the past. During our down-times between Pastorates we live at Acme. Sometimes I stopped by (as per her request) just to chat a spell. Those were special times. Thanks Mrs Willidene for taking time with "youngsters" like me. My heart goes to the family in this time of sorrow and yet I am certain she is in the presence of Jesus.
